July 31, 2020

Dear Patient:

Dr. John C. Ponder will be retiring from private practice August 31, 2020. After 35 years as a practicing physician. He will be greatly missed.

The physicians and staff of Texas Ear, Nose & Throat Specialists, LLP (TENTS) continue to provide the very best medical care to our patients. Appointments can be made with our physicians at any of our three locations - Bedford, Grapevine or Southlake. Your records will remain in our practice and will be available to your new TENTS physician. Should you choose to seek care from another Otolaryngology practice, you may complete and sign a medical release form to transfer your records. Please visit our website for more information, www.texasent.net.

As always, the physicians and staff appreciate the opportunity to participate in meeting your health care needs. We look forward to treating you and your family in the future.

Sincerely,

James D. Gonzales, M.D.

Peter T. Janicki, M.D.

Timothy F. Ragsdale, M.D.

Mary G. Ashmead, M.D.

Yvonne T. Lee, M.D.
